

Self Test

 PositiveEast

At Positive East, It's easy to test for HIV. Our **HIV and STI kits are free, fast and totally confidential**. Our face to face HIV/STI testing clinics are currently suspended, but if you **live, work or study in East London** we can provide you with online or phone supported HIV testing and STI screening from the comfort of your own home, or private space of your own choosing. All you need to do is follow the three simple steps on our website: www.positiveeast.org.uk/hiv-testing

You can also call us on: **020 7791 2855 (option 3)** or email on: prevention@positiveeast.org.uk for more information. We look forward to giving you any sexual health advice you require, and supporting you with your HIV test and sexual health screening needs. Or, if you are confident testing yourself at home, order a free postal STI kit from **PE.SHL.UK**
